## HIGHLINE LIVING ISAAC JEWELERS: ONE GREAT SETTING

by David M. Brown

Frank Isaac has all facets covered.

Frank Isaac, the owner of Isaac Jewelers, offers Scottsdale's most luxurious collection of fine jewelry and one-of-a-kind custom designs. Located at Scottsdale's upscale Kierland Commons, Isaac Jewelers has been family owned since 1997 and offers an unmatched collection of name-brand watches and exclusive designer jewelry.

With the largest selection of premium certified diamonds in Arizona, Isaac Jewelers offers every shape, size, color, and clarity for immediate selection. Frank guarantees the lowest competitive prices while extending unprecedented service in a relaxed, elegant setting.

The recent 3,000-square-foot-store expansion includes a private diamond viewing room with state-of-the-art lighting for

optimal viewing conditions, and a certified diamontologist is available for assessments and immediate appraisals. Experienced fine jewelry professionals make up a staff known for their commitment to customer service, and product availability allows customers to find exactly what they are looking for.

Representing noted designers such as Judith Ripka, Damiani, Tacori, Charriol, and Imperial Pearls, Frank guarantees his timeless inventory to be superior in quality and craftsmanship. Fine Swiss timepieces are available from such renowned manufacturers as Carl F. Bucherer, Baume & Mercier, Ernst Benz and Maurice LaCroix.

Innovations in modern watch design are reflected by Isaac Jewelers' celebration of new and exciting names such as

U-Boat, Philip Stein and Jacob & Company. A master watchmaker completes most watch repairs within 48 hours, and watch batteries are changed while you wait.

Frank Isaac has also created an exciting new market of previously owned diamonds priced at 30–50 percent off current market prices. "These diamonds are exquisite and pristine, having preformed stunningly for their previous owners," he says.

Jewelry design experts are happy to assist customers with ideas for new creations, most of which take less than two weeks to complete. Necessary wax carvings are provided at no additional charge, and all work is 100 percent guaranteed.

Jewelry repairs, restorations and routine maintenance are performed by Isaac's master jeweler, using the newest and most up-to-date products and techniques available. This ensures that your valuables are returned to you in accordance with your instructions, in a very timely manner, and, most importantly, in perfect condition.

Frank is actively involved in the community and has pre-

viously donated proceeds from many store-related events to worthy causes. The recent Re-Grand Opening event in September was a benefit to support the Phoenix East Valley Rotary Club, a nonprofit organization whose mission is to provide for Valley School Districts through supportive funds for "Students of the Month."

Says Frank: "We are so happy to support The Rotary Club this year, whose activities include a Christmas gift luncheon for underprivileged children as well as maintaining a charitable presence in an orphanage located in Arequipa, Peru. This time of the year is certainly for sharing, and it is with great joy that I wish to share good tidings and season greetings to all of our valued customers and good friends at *Highline Autos*."

Isaac Jewelers is open 10 a.m. to 8 p.m. Mondays through Thursdays; 10 a.m. to 9 p.m. Friday and Saturday; and noon to 6 p.m. Sundays.
